

REPORT ON INTERNATIONAL MUSEUM DAY 2024

Sao Chang College, Tuensang, celebrated International Museum Day on 18th May 2024. Basing on the theme "Museum for education and research ". The celebration was commemorated by releasing a catalogue on "connecting with the Local communities" dedicated to enhancing communication between Museum and local communities. The catalogue will serve as a resource for the museum, offering practical tools and inspiration to enhance community engagement efforts. The programme was attended by the vice principal, faculty from the History department and IQAC members.

SCC marks International Museum Day with catalogue launch

Dimapur, May 18 (EMN): The internal quality assurance cell (IQAC) at Sao Chang College (SCC) observed International Museum Day on Saturday by unveiling a tribal museum catalogue titled "Connecting with Local Communities" at its premises in Tuensang.

According to a press release, during the launch of the catalogue, Longtichang Tzudir, the vice principal of the college, spoke briefly on the theme of International Museum Day, "Sustainability and well-being," focusing on how museums contribute to the sustainable development of communities and the well-

being of individuals.

He lauded the department of History for their efforts in spearheading the initiative to compile the artefacts dedicated to enhancing communication between museums and local communities.

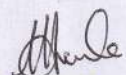

The release also mentioned that the catalogue will serve as a resource for the museum, providing practical tools and inspiration to enhance community engagement efforts.

The programme was attended by faculty from the History department and members of the IQAC.
