**REPORT ON  
EXPLORING LIBRARY AND INFORMATION SCIENCE AS A CAREER  
PATH SEMINAR**

Organized by: **CAREER GUIDANCE COMMITTEE AND LIBRARY  
ADVISORY BOARD**, Sao Chang College.

A seminar on Exploring Library and Information Science as a career path was organized by Career Guidance Committee in collaboration with Library Advisory Board on 22<sup>nd</sup> March 2024. Held in College Conference hall, the seminar was chaired by Mr. Ciekrovoto Theluo, Asst. Professor in Mathematics. The seminar commenced with welcome note from Ms. Hotoni Yeptho, Asst. Professor, Department of Sociology and Ms. Chongliu Khamniungan, Coordinator of the Career Guidance Committee delivered the vote of thanks.

**Objective:**

To provide aspiring students seeking career transitions with valuable insights and guidance's on Library and Information Science.

**Description:**

A one-day seminar on 'Exploring library and information science as a career path' was organised by the Career Guidance Committee in collaboration with the Library Advisory Board on 22<sup>nd</sup> March 2024.

Librarian of Sao Chang College, Mr. Mantok Konyak, the resource person of the seminar shed light on various career opportunities in the field of Library Science. He highlighted the essential skills and qualification required to succeed in library careers. He further said that a career in library and information science involves collection, organization, management, preservation, and dissemination of information resources to users. "It is a field that's all about helping people find the information they need, and it's great for those who love books, technology and life-long learning", he added.

Altogether, 30 participants (21 Students and 9 Teachers) attended the programme.
