

## Report on Faculty and Staff Picnic

A picnic for the faculty and staff was organized on 5<sup>th</sup> November at Thimlak River to promote relaxation, bonding, and a sense of community among the members of the institution. The outing provided an opportunity for everyone to take a break from their regular academic responsibilities and engage in informal interactions.

The day was filled with various recreational activities, games, and group interactions, which strengthened camaraderie and teamwork among the participants. A shared meal added to the enjoyment and helped create a friendly and cheerful atmosphere.

The picnic was a refreshing experience for all, fostering unity and cooperation among faculty and staff. The programme concluded successfully with everyone returning with joyful memories.
