INSTITUTIONAL DATA

A brief background of the college

Sao Chang College is named after Lt. H. Sao Chang, former Minister of Transport & Communication and PHED, Government of Nagaland. The cherished aspiration for higher education of the people of Tuensang District saw its light with a humble beginning christened as “Tuensang Night College” (Arts) in the year 1975 at a designated temporary building in Tuensang Town. To accommodate the increasing enrollment of students seeking for higher education within the district, the college was elevated to a regular day-shift college. Subsequently the college was taken over by the Government of Nagaland in April 1983. Science stream was later introduced in 2005. Shifted in the year 1986, the college presently has its own permanent campus at a distance of about 9 kilometer away from the main town. Sao Chang College had long been striving hard to be accredited by the National assessment and Accreditation Council (NAAC). With the active co-operation and sincere participation of all stakeholders, various committees and sub-committees, the college could finally welcome the Peer Team on 11th & 12th March 2020 and was accredited. NAAC has opened up an opportunity to introspect on our own strength and weakness. Notwithstanding the numerous challenges facing us, the college is positively forging ahead to further improve upon our weakness so as to see qualitative changes in the days to come.
