

Workshop report on Preparation of Hand Sanitizer by Department of Chemistry

The students of the Chemistry department prepared 10 liters of Hand Sanitizer on 20th September 2021 with the financial assistance of Rs 6000/- from Sao Chang College Teachers' Association (SCCTA). It was prepared collectively by all the students of Science stream as per the norms and standards of World Health organization (WHO). All the chemicals needed for this workshop were purchased from Mokochung, Nagaland. The final Hand Sanitizer bottles with nozzle sprays were handed over to the Principal-in-Charge, Mr Longtichang Tzudir on 29th September 2021.

In total 15 science students and 4 faculties participated in the event.
