About the College

Sao Chang College, formerly known as Tuensang College, was established in the year 1973. The college had its humble beginnings lodged in a rented building and gradually as the government took over in 1983, it saw vast changes in all aspects. The new permanent campus was shifted in 1996 which is located at a distance of about 9 kilometres away from the main town. Located amidst splendid and lofty mountain ranges and a pervading atmosphere of serenity, the college is ideal and conducive to be a centre of higher learning. It is affiliated to Nagaland University and offers degree level undergraduate courses in Science and Arts Stream. It offers General course in Science stream and Honours course 6 Disciplines (Arts) and has a total strength of about 600 students. Despite the numerous challenges, the college is continuing towards achieving its goal in equipping young minds with the best possible education assisting them to realize their potentialities.

About the FDP

This FDP aims to facilitate the participants in ensuring that programmes and courses are effective and relevant to students' learning needs. It would also highlight in integrating POs & COs into the curriculum process and ongoing quality assurance processes. The FDP would help in better assessment process and also assist students to progress continuously in the semester leading to the thorough understanding of the prescribed course of study.
