**About the Programme**  
 Tagore once said "A teacher can never truly teach unless he is still learning himself". Teaching is a profession that delivers a kind of special service to the society and in order to deliver this service effectively, every teacher needs to learn continuously and be equipped with latest knowledge and innovations. The purpose of the programme is to provide an opportunity for teachers to be acquainted with various teaching methodologies, latest technologies in the field of teaching, assessment and evaluation etc. so as to deal the diverse classroom effectively and efficiently.
