Sao Chang College holds HIV screening, blood grouping drive

Dimapur, April 8 (EMN): The Red Ribbon Club and NSS Unit of Sao Chang College, in collaboration with the District AIDS Control and Prevention Unit (DACPU) Tuensang, organised an HIV screening and blood grouping drive at the college campus on Monday. The district programme officer, Chongshen Chang, from DACPU, on the occasion, emphasised the significance of knowing one's HIV status. He urged the participants to contribute to society by educating others about the stigma and discrimination faced by HIV/AIDS patients. He also encouraged students to volunteer for blood donations. A total of 83 students and teachers participated in the HIV screening test and blood grouping, according to an update.
