

Student Grievances and Internal Compliance Committee

Action taken by the committee against the grievances raised during June 2023- May 2024

Grievance/Suggestions	Action Taken
1. To organise activities in relation to music	A one-day workshop on Intensive music was conducted on 4 th March 2024.
2. Need for career guidance	The career guidance Committee was informed about the issue. Subsequently, the committee organised seminar on Exploring Library and information science on 22 nd March and career guidance programme on 3 rd may 2024 for the students.
3. Expressed concern about students' emotional intelligence.	The mentoring committee organised seminar on emotional intelligence on 23 April, 2024.
4. Insufficient syllabus related books.	Books related to NEP syllabus was purchased by the librarian as per the list submitted by respective departments.
5. Poor waste management	Two dustbins within the campus were dismantled and a common waste collection bin was constructed outside the college, away from the vicinity of college buildings/classrooms. The work commenced from 15 April 2024 and completed by last week of May 2024. In addition, waste segregation was done and more disposable dustbins were installed in the campus.
6. Programme to enhance computer literacy	Certificate and diploma courses on basic computer and its application were conducted by the ICT committees.
