

REPORT ON:

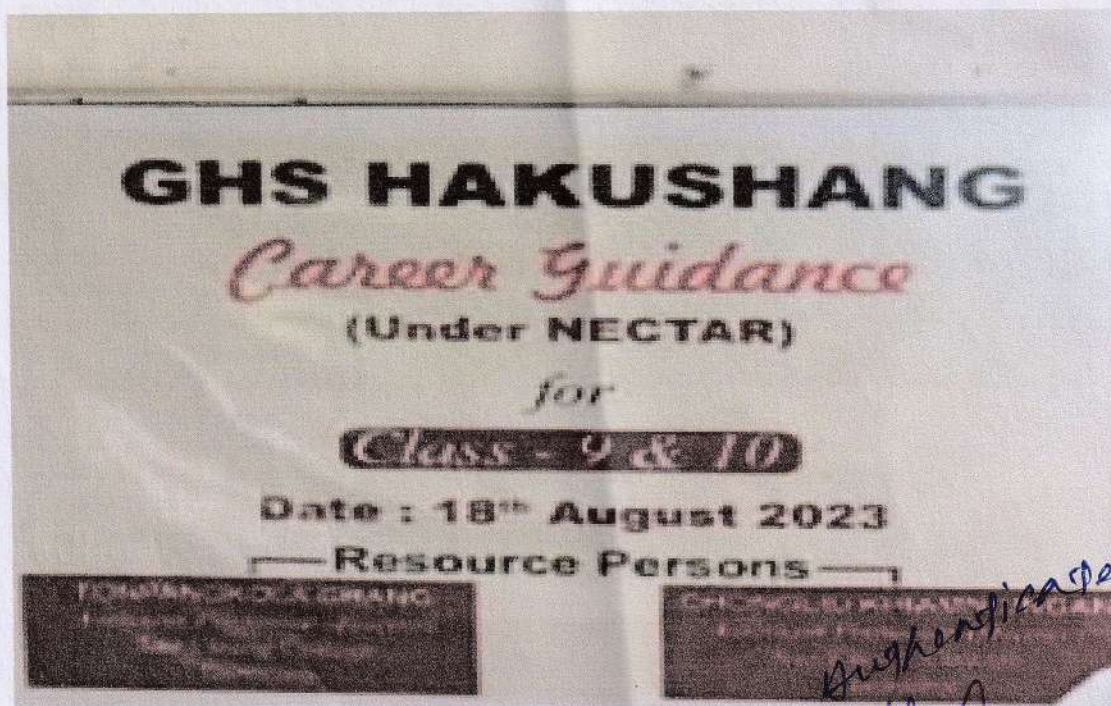

**"CAREER GUIDENCE SEMINAR AT GHS HAKUSHANG TUENSANG".**

GHS Hakushang, Tuensang organised a career guidance seminar on 18<sup>TH</sup> August 2023 for the secondary school students. As part of extension service the career guidance committee, Sao Chang College, Coordinator Ms k Chongliu Khamniungan Assistant professor from Department of History and Ms Tongpangkokla chang Assistant Professor from Department of Botany rendered their service as resource person. The seminar was held at GHS Hakushang School Tuensang.

**Objective:**

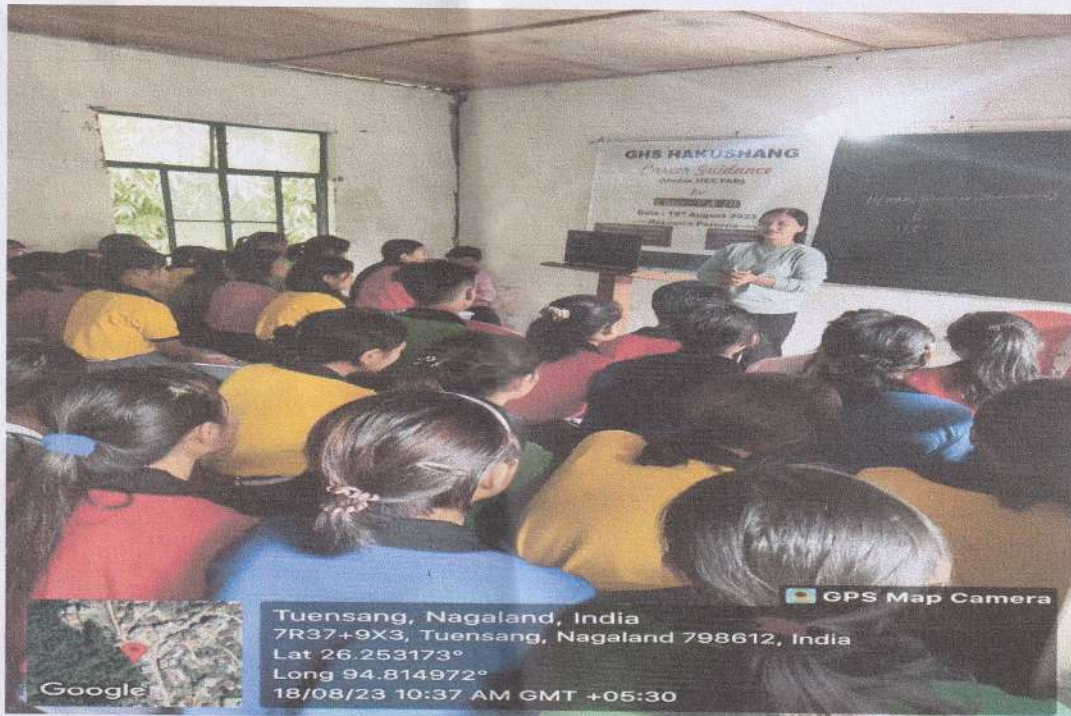

The main objective of the seminar was to impart knowledge on the various career options, in order to help the secondary school students choose the right career option after their matriculation.

Ms. Tongpangkokla shed light on the studies related to the science streams and the job opportunities after pursuing science stream. Necessary information regarding the aggregate percentage requirements and its various streams i.e. MBBS, BVMBVS, BDS, BAMS, engineering's were some of the important points narrated to the aspiring students. While k Chongliu Khamniungan shared insights on the Arts streams and its career options. The resource persons encouraged all the students to navigate time wisely and to work very hard to achieve their aims. Altogether, 160 participants attended the seminar.
