

**Brief report on World Environment (WED) Day 2024.**

The College participated in the celebration of WED 2024 held at Etha Project Site Auching Longleng.

Organized by the LEMSACHENLOK, and NGO actively engaged in nature conservation and environment restoration in Nagaland. Collaborators in the program was EcoStarch & Sütsüng Enterprise Pvt. Ltd.

Held on the theme **Land Restoration, Desertification and Drought Resilience**, the program was graced by Shri. Yanger Jamir (NPS), Superintendent of Police, D.E.F. Longleng Nagaland as the Special Guest, hosted by Auching Village Council & Auching Baptist Church.

One of the main highlight of the celebration was signing of MoU between the LEMSACHENLOK and Sao Chang College. **The Memorandum of Understanding for Collaboration on Biodiversity Conservation, Environmental Protection and Interdisciplinary Research** was signed during the occasion of WED 2024.

As one of the invited speaker, Dr. Lanurenla, Principal Sao Chang College, delivered speech on the topic, **Towards Land Restoration, a Collaborative Effort: Mandate for the hour**, emphasizing on the prospect of collaboration on the effort towards environment protection, which has global relevance. The Principal SCC was accompanied by two faculties in the program.

The program was followed by a ceremonial plantation.
