

SAO CHANG COLLEGE TUENSANG: NAGALAND

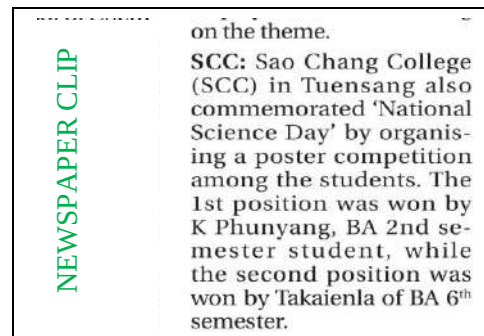

REPORT OF NATIONAL SCIENCE DAY 2024

Sao Chang College in Tuensang, Nagaland, commemorated National Science Day 2024 on 28th February with a poster competition among the students. The event was organized to promote scientific awareness and creativity among the students.

The competition saw enthusiastic participation from various departments of the college. The posters covered diverse scientific themes, showcasing the students' knowledge and artistic skills. The judging panel consisted of faculty members from the science department, who evaluated the entries based on creativity, scientific accuracy, and presentation.

The 1st position was secured by Mr. K. Phunyang, a BA 2nd Semester student, for his outstanding poster. The 2nd position went to Ms. Takaienla, a BA 6th Semester student, for her insightful poster.

The winners were awarded certificates and prizes during a special ceremony held at the college multipurpose hall. The principal of the college, along with other dignitaries, congratulated the participants and emphasized the importance of science education in addressing global challenges.
