

## **REPORT ON INDUSTRIAL VISIT TO SUTSUNG ENTERPRISE, CHANGTONGYA BY SOCIOLOGY DEPARTMENT, SAO CHANG COLLEGE**

On October 19th, 2024, the Sociology Department of Sao Chang College organized an industrial visit to Sutsung Enterprise, located in Changtongya, Mokokchung. A total of 31 students from the 5th semester, along with four faculty members, participated in the visit. Dr. Akumtoshi Longkumer, the proprietor of Sutsung Enterprise, personally guided the students and faculty on an informative tour of the factory, offering insights into its operations and manufacturing processes.

During a brief formal session, Dr. Longkumer provided an overview of his work, focusing on the environmentally conscious approach adopted by Sutsung Enterprise. He emphasized the importance of sustainable practices in production and detailed how the enterprise strives to create eco-friendly products that contribute to environmental preservation.

In his address to the students, Dr. Longkumer shared words of encouragement, advising them to cultivate qualities of humility and an eagerness to learn. He stressed that staying humble and being open to new knowledge are essential traits for personal and professional growth. The visit not only offered practical exposure to the students but also inspired them to integrate values of environmental responsibility and lifelong learning into their future endeavors.
