Drill Test for the promotion of senior Appointment, 2024 -25

- A rank test was conducted on 22/3/24

To be a cadet is being unique hardworking, dedicated Punctual and most of all an achiever. We cadets live life Of an officer without being a part of the premier Indian Military Training institution. The badges in my Shoulder Signifies my hardwork as a cadet and I didn't collected all my Colours in just one day. I didn't change but I Evolved through my Ncc. I Remember my first time in NCC, all blank I stood. And now NCC means so much to me that it has become a part of me. To me this 2.5 years is a road from just being cadet to Senior under officer and as I have level up my rank, I feel that my responsibilities Have just began , I have miles to cover before I sleep Bon Voyage to the cadet.

Morning running, Cool warm up, Parade with ragda.
Loud command, Heavy rifle.
Dashing uniform, Imitating instructors, Late night sleep
Boring midnight sentry, Fight for ranks, Die hard
seniors, Tears for camp selection, Amazing camp fire
dance, Awesome Experience.

Experience

My journey in the national cadet corps (NCC) has been a Fulfilling and rewarding one . I started as a cadet in high Secondary school unit 4 Assam BN NCC . I have many Experience in my life as an ncc cadet during MY 5 year Journey and I enrolled myself in 25 Nagaland BN NCC Unit Sao Chang College. The organization can also be a Great way to meet new people and many friends.

Being a part of NCC not only taught me important of of life Skill like discipline, leadership and teamwork but also instilled a sense of patriotism and service toward nation. As a cadet, I participated in various NCC activities such as drill competition camp, social service blood donation events which helped me develop my Confidence and self – discipline. I have been a part of many camps Annual Training camp, combined annual Training camp and tracking national integration camp representing our college in different district and outside the state. Overall, my journey from a cadet to senior under officer in the NCC has been Incredibly rewarding and has Helped shape me into the person I am today. I am grateful for the opportunities and experiences provided me and I will always cherish the memories and the lessons i learned During my time in the organisation. I want to extend

My heartfelt gratitude to our ANO Capt Aghato Sumi for shaping chartered. Your dedication , hard work and commitment to excellence have been instrument in in guiding us towards our goals and achieving success.

our greatest weakness lies in giving up. The more certain way to succeed is always to try just one more times
