

## **Report on Field trip conducted by Science Departments of Sao Chang College**

The science Departments of Sao Chang College conducted a field trip for the science stream on 10<sup>th</sup> September at Deiji, Hakchang, Tuensang. The objective of the field trip was to provide first hand information and to incorporate knowledge into the minds of the students which cannot be shown in the classroom. A short programme was conducted before the students were sent to their respective area to collect their specimens/samples. The programme was chaired by Mr. Lipongse Sangtam of B.Sc 3<sup>rd</sup> semester, Mr Thungtiyanchu pronounced the invocation and a special number was presented by Mr Aviri sangtam. Mr. Dipak nath, Assistant Professor, Department of Physics highlighted the importance and the reason why the field trip was organized. The students were divided into 3 groups led by the guides Dr. Shokip Tumtin (Asst. Prof., Chemistry Dept.), Ms Vidila Jing (Asst. Prof., Zoology Dept.) and Ms Tongpangkokla Chang (Asst. Prof., Botany Dept). For Chemistry, analysis of soil and water samples was done, for Botany plant specimens were collected for Herbarium and specimen collection for department museum was carried out for Zoology. Altogether there were 36 participants that included 8 teaching staffs, 19 students and 6 non-teaching staffs. The organizing committee expressed profound gratitude to the Principal, Dr. Vitosie Vupru for his assistance and cooperation in making the field trip a success.

Some of the pictures of the field trip are given below:
