Report on Webinar on E- waste Management held on 12th July 2021

As per the meeting minutes of 3rd July 2021, it was agreed by all the RUSA committee members that a Webinar on E Waste Management will be held after approaching e-Circle, an authorized electronic and Electrical Waste Collection center based in Dimapur. In this regard, Dr. Shokip Tumtin, Nodal Officer for Civil works including Environment Management was entrusted with the responsibility to contact the resource persons. Upon the approval from the resource persons, Ms. Sowete-u Letro, Founder and managing partner, e-CIRCLE and Ms. Bendangwala Walling, Managing partner, e-CIRCLE, 12th July 2021 was fixed as the day for the Webinar on e waste management for the faculties and students of higher secondary schools and colleges of Tuensang district.

In this regard, an invitation letter was mailed to the Resource persons on 5th July, 2021. Subsequently, an application to use the google workspace of the college was mailed to ICT committee on 6th July, 2021. Also, application to the principal of Baptist Thangyen Hr Sec School to allow their students to attend the webinar were also mailed 9th July, 2021. Acceptance letter for the same was received from the Principal of Baptist Thangyen Hr Sec School on the 12th of July, 2021. Applications to Jio, Airtel and BSNL offices to ensure smooth uninterrupted network for the webinar were also sent on 9th July, 2021.

The webinar on E- waste management was finally held on 12 July 2021 at 11:00 am via google meet. The programme started with a welcome address by Mr. Longtichang Tzudir, Principal in charge, SCC followed by introduction of resource persons by Dr. Shokip Tumtin, Assistant Professor, Department of Chemistry, SCC. Ms Sowete-u Letro gave a presentation on E waste management. She highlighted on the importance of proper management of e-waste with regards to their reusability, toxicity to the environment, proper disposal methods etc. She also stressed upon the need for proper sensitization of e-waste to the public specially in rural areas and how their start up, e-CIRCLE is the only authorized and recognized e-waste collection center in Nagaland. Ms. Bendangwala Walling also took up many questions from the audience and clarified their doubts. The Webinar was chaired by Ms, Yanglikhumla, Assistant Professor, SCC and ended with a vote of Thanks by Ms, Nungsangtola, Coordinator, RUSA Committee.

E certificates of participation were issued to all the participants within 3 days from the day of the webinar and a framed certificate of appreciation was handed over to the Resource persons personally at their office in Dimapur by Ms. Nungsangtola, Assistant Professor, Department of Physics and Co-ordinator, RUSA. Altogether, there were 116 number of registered participants, out of which 101 participants including both students and faculties of different higher secondary schools and colleges of Tuensang took part virtually for the event.

Subject: Invitation letter to be a resource person on One Day Webinar on E-Waste Management.

Respected Madam/Sir

I have the pleasure to inform you that the Rashtriya Uchchatar Shiksha Abhiyan (RUSA) Committee, Sao Chang College is organizing a Webinar on the 12th of July, 2021 at 11 Am via Google Meet. The objective of organizing the webinar is to help promote environmental awareness among the student community.

Theme of the Webinar : 'One Day Webinar on E-Waste Management.'

We will be honoured to have you as the resource person of the webinar. Since you have the experience, the Committee is assured that you will be able to complete the task with diligence and effectiveness. We look forward for your kind consideration to this humble request. Kindly write to us and inform us of your acceptance.

Thanking you in anticipation.

Sincerely

(NUNGSANGTOLA)

SCC organises webinar on 'e-waste management'

DIMAPUR: One day webinar on "e-waste management" was organised by RUSA Committee of Sao Chang College (SCC) Tuensang on July 12.

A press release by the college informed that the webinar was organised with an objective to create awareness on how to sustainably handle electronic waste.

The main speakers of the programme were co-founders of e-circle, electronic waste collection centre, Dimapur, Bendangwala Walling and Sowete-u Letro.

They deliberated on the various areas of e-waste management in the credibility of data, lack of

awareness and compliance.

The speakers discussed about the impact of e-waste on the environment and deliberated on the latest development in the e-waste management in the country and the importance of reiterating the changes at the policy level which needs to be incorporated to manage e-waste efficiently and sustainably.

The programme was chaired by assistant professor (department of education) Yanglikumla Sangtam, welcome address was delivered by principal in-charge Longtichang Tzudir and vote of thanks was proposed by assistant professor (department of physics) Nungsangtola.
