

# SAO CHANG COLLEGE

## Tuensang: Nagaland

### INFORMATION AND COMMUNICATION TECHNOLOGY COMMITTEE

#### **REPORTS OF THE WEBINAR : PHOTOSHOP AND CERTIFICATE CREATION**

The Information and Communication Technology (ICT) Committee of Sao Chang College, Tuensang, Nagaland, organized a highly informative one-day webinar titled "Photoshop and Certificate Creation" on 2nd December 2023 via the Google Meet platform. This event was part of the college's initiative to commemorate World Computer Literacy Day. The webinar featured Shri Wangkhem Kumar Singh, Senior Technical Officer at the National Institute of Electronics & Information Technology (NIELIT), Kohima, Nagaland, as the esteemed resource person.

Mr. Singh provided an extensive and detailed presentation on Photoshop, covering a wide range of technical terms and functionalities. He emphasized the software's versatility, showcasing its numerous features, including a variety of fonts, effects, and brush or pen tools. Mr. Singh elaborated on the practical applications of these tools and provided step-by-step guidance on how to use them effectively. A significant portion of his presentation focused on the process of creating certificates using Photoshop, which included layout design, text formatting, and the incorporation of graphics. His demonstration was practical and easy to follow, which greatly benefited the participants.

The event commenced with Ms. Imnatula Kechular, an ICT member and Assistant Professor at Sao Chang College, chairing the session. She set the tone for the webinar by emphasizing the importance of digital literacy in today's technology-driven world. Following this, Dr. Lanurenla, the Principal of Sao Chang College, delivered the welcome address. She warmly welcomed all participants, acknowledging their eagerness to learn and thanking the ICT Committee for their diligent efforts in organizing such an educational event. Dr. Lanurenla highlighted the significance of computer literacy, especially in enhancing the professional skills of students and faculty alike.

Throughout the webinar, the participants remained highly engaged, posing numerous questions and seeking clarifications on various aspects of Photoshop. Mr. Singh responded to each query with patience and clarity, ensuring that participants fully grasped the concepts being discussed. The interactive nature of the session facilitated a deeper understanding and allowed participants to gain practical insights into the use of Photoshop for certificate creation.

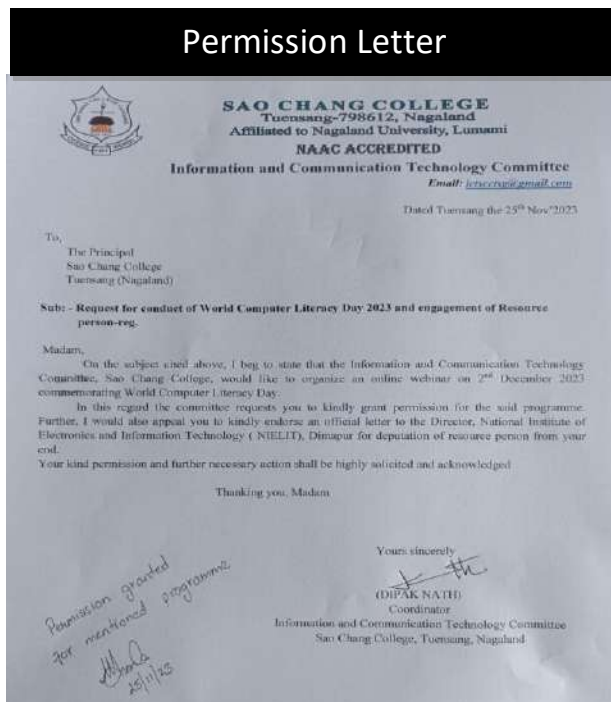

At the conclusion of the webinar, Ms. Rangbenkumla Chang, an ICT member and Assistant Professor at Sao Chang College, Tuensang, delivered a heartfelt vote of thanks. She expressed sincere appreciation to all participants for their active involvement and to Mr. Singh for sharing his expertise. Ms. Chang also extended her gratitude to the organizing committee and the attendees for making the event a resounding success. Her closing remarks underscored the collaborative spirit and the sense of community that permeated the webinar.

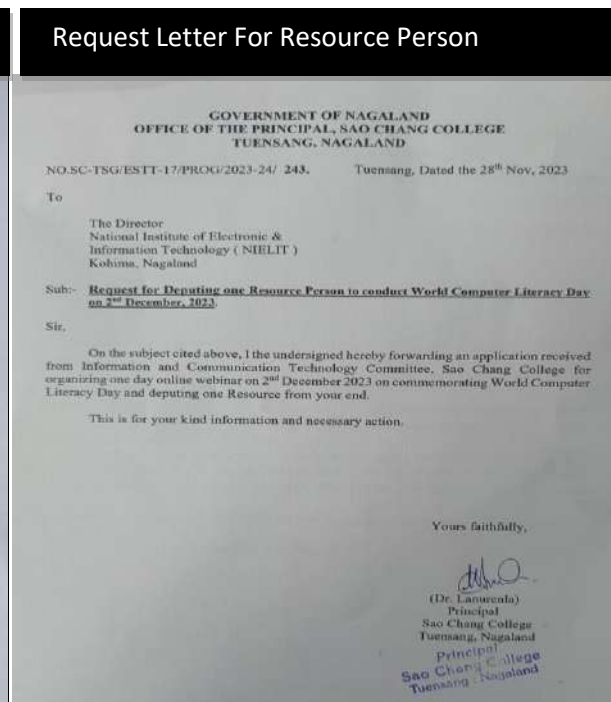

A total of 65 participants registered for the program, with 56 individuals from different parts of India attending. The feedback from the participants was overwhelmingly positive. Many attendees praised the webinar for its clarity, organization, and the valuable knowledge imparted. The participants particularly appreciated the practical demonstrations and the opportunity to interact with an expert in the field.

The ICT Committee of Sao Chang College succeeded in delivering a well-organized, educational, and engaging webinar. This event not only enhanced the participants' understanding of Photoshop and certificate creation but also reinforced the importance of computer literacy in personal and professional development. The successful execution of the webinar reflects the committee's commitment to providing high-quality educational opportunities and fostering a culture of continuous learning and growth.
