Report on Intensive Music Workshop

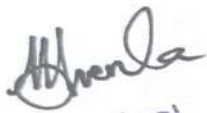

Date: 4th March 2024

Objective: To learn and explore different musical skills.

Description: Internal Quality Assurance cell, Sao Chang college organised one day Intensive Music workshop on 4th march 2024 with Mr. Lirili Jinger, Proprietor of Tuensang School of Music as the resource person. Mr. Lirili expatiated on the various aspects of music. The participants were introduced to harmony, basic staff notation, creative music making and beats. He shared how one can draw inspiration from varied things like art and poetry for music/song composition, citing his very own first composed song was an inspiration from three poems. He also encouraged the student participants to go beyond the conventional career, give due importance to skill development and follow their passions.

The workshop programme was chaired by Ms. Hotoni Yeptho, Assistant Professor, Sociology Department. Keynote Address was delivered by Mr. Longtichang Tzudir, Vice Principal, highlighting the colossal positive impact music can create. The workshop was attended by 70 participants including the teaching faculty in attendance. The programme concluded with a vote of thanks, proposed by Mr. Mudang Khamniungan, Assistant Professor, Education Department.
