Evangelical Union. SCC, Combine Fellowship Report

Greetings in the precious name of our Lord Jesus Christ!

I, the Literary Secretary of Evangelical Union, Sao Chang College, extend warm felicitations to all the members, leaders and my dear brothers and sisters in Christ.

As we continue to grow in faith and unity, the Evangelical Union, Sao Chang College would like to invite all to join us on our weekly worship gatherings embarking in the lifestyle of Christianity.

Every Tuesday at 4:00 PM, the EU, SCC holds Combine Fellowship and Worship, creating a sacred space for connection and spiritual growth. This weekly gathering replaces our previous separate Bible Study, fellowship, and worship evenings, allowing us to come together as one body in Christ. Join us as we share testimonies, pray and lift up the name of Jesus through songs and scriptures.

May the grace and peace of our Lord continue to guide and empower us as we strive to spread the Gospel through literature and other creative expressions.
