A brief Report on Floriculture 2024-2025 (a certified Vocational Course)
Vocationalisation of Higher Education Under Pradhan Mantri Uchchatar Shiksha
Abhiyan.

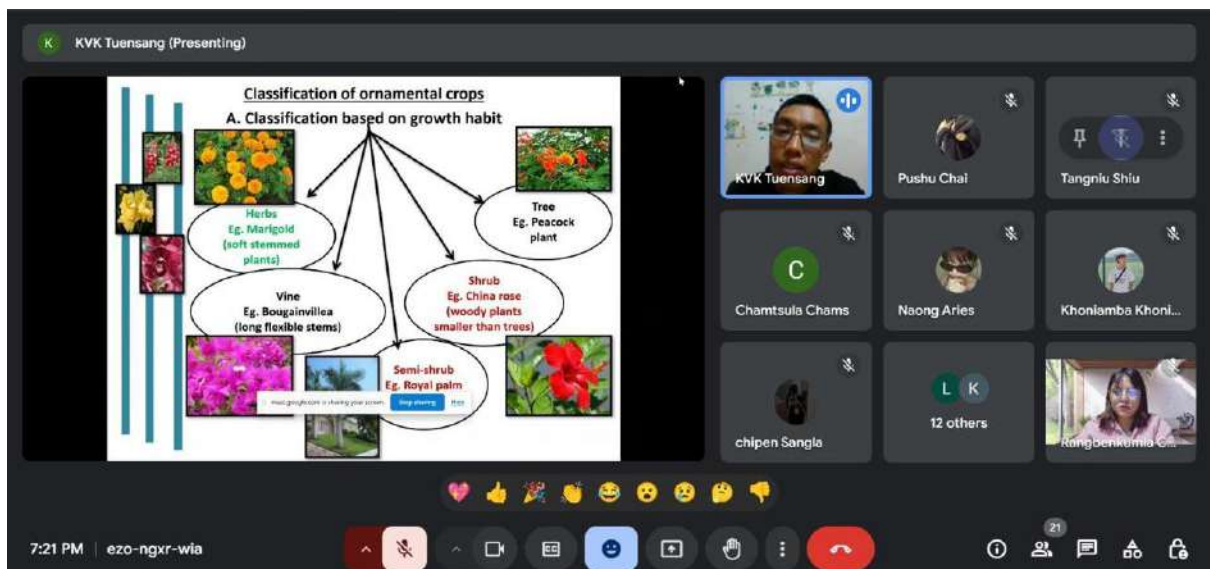

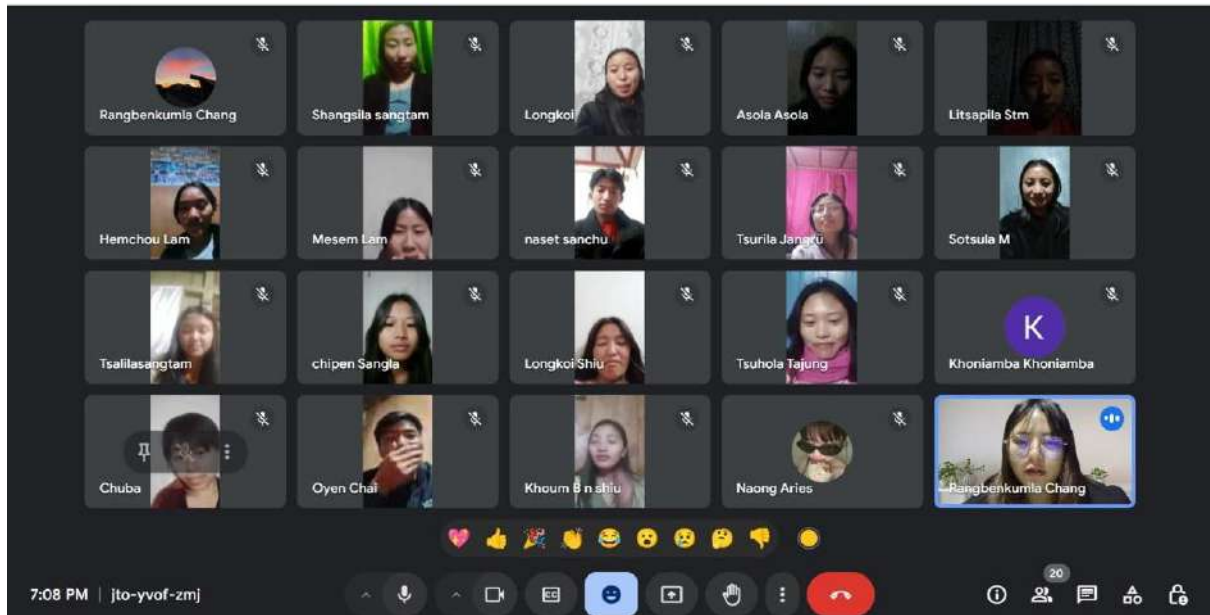

On October 15, 2024, an admission notification was issued for the 7th Batch Vocational course in Floriculture for the 2024-2025 session, admitting 27 students. The floriculture class began on October 25, 2024.

On April 26, 2025, competition and internal assessment on fresh spring flower arrangements were held. Due to some unforeseen circumstances, the overall assessment was postponed and took place on September 3, 2025 in blended mode. Based on criteria including sincerity, attendance, and assessment performance, 22 students were awarded the Certificate of Completion in Floriculture.

The Course covers fundamental aspects of floriculture, including plant propagation, nursery management, flower arrangement, and market handling. This comprehensive foundation equips students with the necessary skills for future entrepreneurial pursuits or employment opportunities within the floriculture sector.

The course is coordinated by Ms. Rangbenkumla Chang, Assistant Professor, Department of Environmental Science, and Nodal Officer for Academic Administration PM-USHA, Sao Chang College, and is academically supported by subject specialist Mr. Yanger Kichu from Krishi Vigyan Kendra (KVK), Tuensang, ensuring quality instruction and continuous guidance throughout the course.

THEORY CLASSES:

PRACTICAL CLASSES:

LEARN WHILE YOU LEARN “BROOM HARVESTING”

FLOWER ARRANGEMENTS:

		
<p>1st S Tangniu T Longkoi S Mesem (Fan)</p>	<p>2nd Khoni Yongkong Naset (Hogarth Curve)</p>	<p>3rd Khoum Litsapila Hemchou T (Equilateral Triangle)</p>
<p><i>Floral Arrangement winners</i></p>		

				
<p>Chipensangla, Naong & Choba (Arc-shaped)</p>	<p>Muthsoi, Longkoi & Pushu (oval design)</p>	<p>T Tsusola Sotsula M (Right triangle)</p>	<p>Chamtsula S Ruthla (Crescent)</p>	<p>Longkoi L Shangsilal Healingla Y (Fan)</p>

LANDSCAPING PRACTICAL:
