Report on online programme on “ Skill Development Training on Pickle Making”

Skill development is one of the major requirements to provide holistic education to students. With the objective to encourage students of the College to discover one's talents and interests, the Botanical Club under Department of Botany Sao Chang College organized an online programme through Google meet platform on “skill development training on pickle making” on 15th Sept. 2022 from 4:00 PM – 5:00 PM.

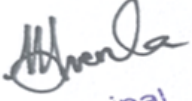

The resource person was Ms. Viseno Yakhro, entrepreneur and proprietor of Dwellington Home, Kipfuzha Kohima. In the training, Ms. Yakhro demonstrated how to make yongchak and king chilly pickle. She also shared recipes to prepare a variety of pickles not covered in the session through Whatsapp.

The programme was chaired by Mr. Tekameren Walling, Asst. Professor, Dept.of Botany. Mr. Vitosie Vupru, Principal delivered the welcome note wherein he encouraged the students to develop skills and congratulated Botanical Club on the successful organization of the training. Ms. Tongpangkokla, Asst. professor, Dept. of Botany delivered the vote of thanks.

Out of 29 (27 offline registration + 1 online registration + Resource person) number of registered participant, 26 number of participant attended the programme.

The programme successfully ended with eager participation from Botany club members and many interested individuals.
