Other Activities

To foster holistic development in the students, various activities are carried out throughout the year from holding competitions to organizing social works and developing life skills through gardening, etc.

Creative activity like Momo Making competition was held on 23rd September 2023 at Girls Sochum with an aim to instil competitive spirit at the same time provide learning opportunity to enhance skill development in the students.

Social works are carried out every 2nd and 4th Saturday's in order to raise awareness on the importance of keeping the surroundings clean and to encourage students to take the responsibility of maintaining clean and healthy environment.

To develop life skill and to encourage healthy eating habits vegetable garden was set up and is maintained by the sochumers whereby they grow seasonal vegetables such as mustards, corn, leafy vegetables, etc.

To strengthen their sense of community and spiritual connection regular evening fellowship and combine devotional services on Sundays are being conducted at Sochum. Students actively take on leadership roles during these sessions, fostering the development of their confidence and communication skills.
